SERIES OF FORUMS ON HAWAIIAN SOVEREIGNTY

FOR HAWAIIANS AND NON-HAWAIIANS

Presented by

**Hawaiian Affairs Committee of the
Makakilo-Kapolei-Honokai Hale
Neighborhood Board**

The forums will be televised live on 'Olelo Community Media and are meant to build public awareness and create a better understanding among both Hawaiians and non-Hawaiians about what the sovereignty movement means for all the people of Hawaii.

The grass-roots effort to engage the public in this discussion comes at a time when the Hawaiian community has established a large presence in Kapolei and the Hawaii Legislature is preparing in weeks ahead to bring new attention to ongoing initiatives aimed at Hawaiian governance and self-determination.
