SERIES OF FORUMS ON HAWAIIAN SOVEREIGNTY

FOR HAWAIIANS AND NON-HAWAIIANS

February Topic:

**A fresh look at Hawaiian history
from Kamehameha to 1900**

The forums will be televised live on 'Olelo Community Media and are meant to build public awareness and create a better understanding among both Hawaiians and non-Hawaiians about what the sovereignty movement means for all the people of Hawaii.

Hawaiian sovereignty will affect everybody in the state. The breadth and power of the future nation will be determined in great degree by the amount of non-Hawaiian buy in. This monthly series of forums comes before the Native Hawaiian convention which will organize a modern Hawaiian government. Come to the studio or tune in to Channel 53.
